Cakra Studi Global Strategis
Centre for Strategic and Global Studies

Vision
be an indispensable source of independent analysis,
informed debate, and influential ideas to help improve policy
and decision-making on global and strategic issues

Mission
(1) Promoting a better understanding of the contours, context and
context of global strategic development; (2) producing independent and
rigorous analysis of critical global, regional and country specific challenges
on advanced development; (3) developing new ideas and options for decision
makers and policy specialists in tackling global strategic challenges

Area of Interests
(1) regional dynamics & transnational development issues, (2) cosmopolitization
& globalization, (3) nationalism & national interest, (4) international & foreign affairs

Program & Activities
(1) regular research & mapping, (2) analysis & briefing, (3) simulation & training,
(4) consultation & advocacy, (5) negotiation & resolution, (6) articulation & communication,
(7) dissemination & publication

Research Group
(1) globalization & non-military defense, (2) local autonomy & foreign policy, (3) maritime
development & defense, (4) terrorism & conflict resolution, (5) conflict & human security,
(6) migrant worker & sustainable development, (7) international business & negotiation

Partnership
we welcome any constructive supports and partnerships to enhance analysis, understanding
and policy responses towards our global and strategic challenges

Resource Centre
Cakra Dhara Citar Mata, our historical departmental resource center, as a home base,
workshop, and an indispensable part of Centre for Strategic and Global Studies

Publications
(1) Global & Strategis, a journal; (2) Cakrawala Kebijakan, a policy brief;
(3) CSGS Paper: a collection of unpublished paper, (4) CSGS Publisher, a book publisher

Address
Jl. Dhamarwangsa Dalam Sawah 69256, East Java Indonesia

Imperial Periphery and National Politics: Trajectory of Opposition Movements in Okinawa

1. James W.Y. Wang --> Institute of International Relations, National Chengchi University, Taipei / jameswy.wang@gmail.com

Abstract

The mainstream study of "national politics" figures out weak and minor nations incline to move either radically or ethnicity-center as repressed by immigrant powers. Nevertheless, sub-national politics in Okinawa, also experienced long-term colonization by metropolitan Japan, delivers alternative path toward progressive movements. By comparative historical research, Okinawa sub-national politics evolves through reproduction mechanisms, eventually leads to the progressive turn to connect with international advocacy community. Since World War II, nationalist rivalry in East Asia continues to make security dilemma entrenched. Under American imperium, conservative perspective of Japanese national politics is consolidated. Okinawa's unanticipated progressive turn of national politics implicates new light for East Asian nations to reconcile by progressive dialogue.
