Fenomena Kekerasan Politik di Aceh Pasca Perjanjian Helsinki

Abstract

This study analyzes the general problem of violence in Aceh after the peace. The violence that occurred after the peace is political violence. If traced back peace of violent conflict between GAM and the Indonesian government has successfully agreed with the involvement of the Crisis Management Initiative (CMI) as a third party in resolving this case. In fact, post-peace and violence continue to rise as the democratic processes. The results of this study are: (1) economic factors, reintegration funds provided by the government of Aceh to the former combatants is not evenly distributed; (2) problems resolving cases of human rights violations, every Helsinki peace memorial victims of human rights violations to the government of Aceh has always demanded that human rights violations are resolved; (3) lack of law enforcement.
