Hambatan-Hambatan Struktural-Kultural-Personal Anggota Legislatif Perempuan di Provinsi Daerah Istimewa Yogyakarta

Abstrak:

The representation of women in Daerah Istimewa Yogyakarta (DIY) province parliament is not automatically followed by the fulfillment of women’s interest. This paper explores what obstacles faced women parliamentary members in DIY province in pursuing their opinions and ideas during parliamentary meetings. The writer finds four factors implicated to the obstacles of women parliamentary members. First, the lack of self-confidence. Second, the attitude of men parliamentary members. Third, the lack of their understanding about women’s issues. Fourth, the lack of political education based on women’s need.

Keyword:

women’s political capability, women’s interest, women’s political obstacles.
